

Comprehensive Drug List

The Absolute Total Care Comprehensive Drug List (CDL) lists drugs covered by your prescription benefit. The CDL is updated often and may change. For more information, you may view the latest CDL on our website at absolutetotalcare.com or call us at 1-866-433-6041 (TTY: 711).

Comprehensive Drug List Medication Locator Instructions:

1. With the PDF open, click on the Edit menu, then click Find.
2. In the Find box type the name of the medicine you want to locate.
3. Click the Next button until you find the medicine(s) you are looking for.

Notice of Non-Discrimination

Absolute Total Care (ATC) complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, sex, sexual orientation or gender identity. ATC does not exclude people or treat them differently because of race, color, national origin, age, disability, sex, sexual orientation or gender identity.

ATC provides free aids and services to people with disabilities, such as qualified sign language interpreters and written information in other formats (large print, braille, audio, accessible electronic formats, other formats). We provide free language services to people whose primary language is not English, such as qualified interpreters and information written in other languages. If you need these services, contact our Manager of Member Services, by mail at: 100 Center Point Circle, Columbia, SC 29210; by phone at: 1-866-433-6041 (TTY: 711); or by email at: ATCMBRSVC@centene.com.

If you believe that ATC has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, sex, sexual orientation or gender identity, you can file a grievance using the contact information provided above. You can file a grievance in person or by mail or email. If you need help filing a grievance, we are available to help you.

You can also file a civil rights complaint with the U.S. Department of Health and Human Services, Office for Civil Rights, electronically through the Office for Civil Rights Complaint Portal, available at <https://ocrportal.hhs.gov/ocr/smartscreen/main.jsf> or by mail or phone at: U.S. Department of Health and Human Services, 200 Independence Avenue, SW, Room 509F, HHH Building, Washington, D.C. 20201 or by phone at: 800-368-1019, 300-537-7697 (TDD). Complaint forms are available at <http://www.hhs.gov/ocr/office/file/index.html>. Language assistance services are available. Please visit our Language Assistance page for more information.

Language Services

If your primary language is not English, language assistance services are available to you, free of charge. Call: 1-866-433-6041 (TTY: 711).

Pharmacy Program

It's important to Absolute Total Care that our members receive medications that are appropriate and high quality. We work hard to make sure you have access to safe and effective medications that are proven to help you get healthy and stay healthy.

The pharmacy program does not cover all medicines. Some medicines require prior authorization (PA). Some have limits on age, dosage and maximum quantities.

Comprehensive Drug List (CDL)

The Absolute Total Care CDL is the list of covered drugs. The CDL applies to drugs you can receive at retail pharmacies. The Absolute Total Care CDL is reviewed often by Absolute Total Care to make sure the use of medicines is appropriate.

Pharmacy Benefit Manager

Absolute Total Care works with Pharmacy Services to process pharmacy claims for prescribed drugs. Some drugs on the Absolute Total Care CDL may require PA. Pharmacy Services is responsible for the PA process. Express Scripts is our Pharmacy Benefit Manager (PBM).

Specialty Drugs

The preferred specialty pharmacy provider of Absolute Total Care is AcariaHealth Specialty Pharmacy. All specialty drugs must have PA to be approved for payment by Absolute Total Care. The Absolute Total Care Medical Director and Absolute Total Care Pharmacy Director are in charge of the clinical review of these PA requests.

AcariaHealth Specialty Pharmacy provides the following services:

- Delivers drugs to your home or provider's office
- Provides staff pharmacists. The pharmacists can help you 24 hours a day, seven days a week to answer your questions and offer help with your drugs
- Gives you information, materials and ongoing support to help you take the drugs to manage your health condition
- Hepatitis C agents

Dispensing Limits

Drugs may be filled up to a maximum of 31 days' supply for each new prescription or refill. A total of 80% of the days' supply or 25 days must have passed before the prescription can be refilled for non-controlled-substance CDL drugs. A total of 90% of the days' supply must have passed before the prescription can be refilled for controlled substances and narcotic CDL drugs.

Appropriate Use and Safety Edits

The health and safety of our members is important to Absolute Total Care. One way we make sure our members are safe is through point-of-sale (POS) edits. This happens at the time a prescription is

processed at the pharmacy. These edits are based on U.S. Food and Drug Administration (FDA) recommendations. They promote safe and effective medicine use.

Prior Authorizations (PAs)

Some medicines listed on the Absolute Total Care CDL may need PA. The information for PAs should be sent to Pharmacy Services. The information should be sent by your provider or pharmacist. They can fill this information out on the **Medication Prior Authorization Form**. This form should be **faxed to Pharmacy Services at 1-833-982-4001**. This document can be found on the Absolute Total Care website, absolutetotalcare.com. All completed authorizations are reviewed within 24 hours from the time of receipt.

Absolute Total Care will cover the medicine if it is determined that:

1. There is a medical reason the member needs the specific medicine.
2. Depending on the medicine, other medicines on the CDL have not worked.

PA requests are reviewed by a licensed clinical pharmacist. The pharmacist uses criteria established by the Centene Corporate P&T Committee. If the request is approved, the provider will be notified by fax. If the information provided does not meet the criteria for the requested medicine, member and their provider will be notified. Alternative options and appeal process information will also be provided.

Step Therapy

Sometimes Absolute Total Care requires you to do step therapy. This means you will have to try medicines in the CDL in a certain order before we cover another medicine.

If Absolute Total Care has record that the first medicine was tried and did not work, the next medicine is automatically covered. If Absolute Total Care does not have a record that the required medicine was tried, the provider may have to send more information about the request.

If Absolute Total Care does not approve the PA, we will notify the member and their provider. We will also send information about the appeal process.

Quantity Limits

Sometimes, Absolute Total Care limits how much of a certain medicine a member can get at once. If your provider thinks that you have a reason to get more than the limit, they can submit a PA. If Absolute Total Care does not approve the PA, we will notify the member and their provider. They will also send information about the appeal process.

Age Limits

Sometimes, medicines on the Absolute Total Care CDL have age limits. This is because of drug maker, FDA or clinical guidelines. It is to keep you healthy and safe. Age limits meet FDA alerts for the appropriate use of pharmaceuticals. They also align with South Carolina Healthy Connections Medicaid Guidelines.

Medical Necessity Requests

Sometimes, a member needs a medicine that is not listed in the CDL. When this happens, the member's provider can make a medical necessity (MN) request for the medicine. A MN request does not happen often. This is because the list of medicines on the CDL treat most medical conditions.

For a MN request, Absolute Total Care requires:

- Documented failure of at least two CDL drugs within the same therapeutic class for the same diagnosis. This is required as long as two drugs are listed in the same category with comparable labeled indications; or
- Documented intolerance or contraindication to at least two CDL drugs within the same therapeutic class. This is required as long as two drugs are listed in the same category with comparable labeled indications; or
- Documented clinical history or presentation where the patient is not a candidate for any of the CDL drugs for the indication.

These requests are reviewed by a licensed clinical pharmacist. The pharmacist uses criteria established by the Centene Corporate P&T Committee. If the request is approved, the provider will be notified by fax. If the information provided does not meet the criteria for the requested medicine, member and provider will be notified. Alternative options and appeal process information will also be provided.

Emergency Supply Policy

State and federal law require that a pharmacy fill a 72-hour supply of CDL medicine to any member awaiting PA determination. This is so the member's therapy is not interrupted or delayed. All participating pharmacies are authorized to provide a 72-hour supply of medicine. They are reimbursed for the ingredient cost and dispensing fee of the 72-hour supply of medication. They are reimbursed whether or not the PA request ends up being approved or denied. If the pharmacy has any questions, they may call the Pharmacy Help Desk at **1-833-750-4506**.

Exclusions

The following drug categories are not part of the Absolute Total Care CDL, unless noted as covered on the CDL. They are also not covered by the 72-hour emergency supply policy:

- Weight control products
- Pharmaceuticals used for cosmetic purposes or hair growth
- Investigational pharmaceuticals or products
- Immunizing agents
- Drug Efficacy Study Implementation (DESI) and Identical, Related, and Similar (IRS) drugs that are classified as ineffective
- Fertility products
- Erectile dysfunction products prescribed to treat impotence

- Nutritional supplements
- Injectables (except those listed in the CDL)
- Infusion supplies
- Gender transition pharmaceuticals or products

Newly-Approved Products

Absolute Total Care reviews new drugs before adding them to the CDL. While the new drugs are being reviewed, access to them will be considered through the PA review process. If Absolute Total Care does not approve PA, we will notify the member and their practitioner. We will also provide information about the appeal process.

Over-The-Counter (OTC) Medications

Absolute Total Care covers many OTC medicines. These medicines can be found in the Absolute Total Care CDL. These products are covered as long as you have a prescription from a licensed practitioner that meets all the legal requirements for a prescription.

Generic Drugs

Generic drugs are made up of the same active ingredient as brand-name drugs. When generic drugs are available, the brand-name drug will not be covered without Absolute Total Care PA unless the Brand name drug is preferred by the SCDHHS Single PDL.

If you or your provider think a brand-name drug is medically necessary, the provider must request the drug using the PA process. Absolute Total Care will cover the brand-name drug according to our clinical guidelines if there is a medical reason the member needs the particular brand-name drug. If Absolute Total Care does not approve the PA, we will notify the member and their provider. We will also send information about the appeal process.

Drug Efficacy Study Implementation (DESI) Drugs

DESI products and known related drug products are defined as less than effective by the FDA. This is because there is not much evidence that it is effective for all labeling indications. It is also because *justification* for their medical need has not been established. DESI products are not covered by Absolute Total Care.

Filling a Prescription

Members can have prescriptions filled at an Absolute Total Care network pharmacy. You can find a network pharmacy near you by contacting **Absolute Total Care Member Services at 1-866-433--6041 (TTY: 711)**. You can also visit Absolute Total Care's website at absolutetotalcare.com and click Find a Provider to locate a pharmacy. You can type in your address or zip code and see pharmacies that are close by. At the pharmacy, you will need to provide your prescription and your Absolute Total Care member ID card.

If members are traveling more than 30 miles from the South Carolina border, they can have a one-time fill of their medicine. All necessary prescriptions are required to be filled on the same day for a maximum 31-day supply.

Copayments

Effective July 1, 2024, Absolute Total Care charges \$0.00 for each prescription.

Drug Tiers

The following notations define the comprehensive drug list status in the Drug Tier column.

Abbreviation	Description
P:	Preferred
NP:	Non-preferred
PA:	Preferred with Clinical PA

Non-managed/Supplemental (clinical criteria may apply):

Abbreviation	Description
C:	Non-Managed Covered
NC:	Non-Managed Not Covered
X:	Pharmacy Benefit Exclusion

Abbreviations

The following notations and abbreviations may be found in the drug listing requirements/limits column.

Abbreviation	Description	
AL:	Age Limit	Drug is limited to a specific age.
QL:	Quantity Limit	There is a limit on the amount of drug covered per prescription, or within a specific timeframe.
Max Day(s) Supply:	Day(s) Supply	There is a limit on the amount of the drug that is covered per time.
Max Fill:	Fill Limit	There is a limit on the number of times the drug can be filled.
Opioid Smart PA:	Unique Limits for Opioid Drugs	There may be limits on use such as a maximum seven-day supply for short-acting opioids or prior authorization required. Exceptions exist for specific diagnoses and/or history of use.
PA, Smart PA:	Prior Authorization	Prior authorization is required before prescription can be filled.
Pack Lmt:	Package Limit	There is a limit on the number of packages covered per prescription.
Rtl:	Retail	The limit or restriction applies to coverage at a retail pharmacy.
RX/OTC:	Prescription/Over-the-counter	The drug is available as both prescription and over-the-counter.
SP:	Specialty Drug	High-cost drugs used to treat complex or rare conditions, such as multiple sclerosis, rheumatoid arthritis, hepatitis C and hemophilia.

ST:	Step Therapy	Requires trial and failure of one or more preferred products prior to coverage.
-----	--------------	---

Clinical Edit Descriptions

Edit Name	Edit Description
Opioid	<p>Short-acting opioid medicines can only be filled for 7-days at a time when no opioids are filled in the past 180 days (Treatment-Naïve). This limit is extended to 30-day fills when a member has a medical history of cancer, sickle cell, or palliative care in their records. Treatment-Naïve*</p> <p>Limits:</p> <ul style="list-style-type: none"> • Daily Dose Max = 90 MME** • Day Supply Max = 7 days • Must use short-acting opioids before long-acting opioids <p>*Treatment-Naïve means no opioid fill in last 180 days **MME = Morphine Milligram Equivalent</p>
Test Strips	Insulin users are limited to 150 strips per 30 days; Non-insulin users are limited to 100 strips per 90 days.

<i>isosorbide dinitrate-hydralazine hcl PO</i>	NC	
OPSYNVI	NP	
Cardiovascular Sodium-Glucose Co-Transporter 2 Inhibitors		
INPEFA	NP	
Impotence Agents		
CAVERJECT IMPULSE KIT	NC	
CAVERJECT SOLR	NC	
CIALIS PO (<i>Use tadalafil</i>)	NC	
EDEX KIT	NC	
MUSE PLLT 250 MCG, 500 MCG, 1000 MCG	NC	
<i>tadalafil PO</i>	NC	
<i>ildenafil hcl TABS PO</i>	NC	
<i>ildenafil hcl TBDP PO</i>	NC	
Peripheral Vasodilators		
NYLIDRIN HCL	NC	
PAPAVERINE HCL POWD	NC	
<i>papaverine hcl SOLN</i>	NC	
Prostaglandin Vasodilators		
AURLUMYN IV	NC	
ORENITRAM TBCR	NP	
Pulmonary Hypertension - Activin Signaling Inhibitor		
WINREVAIR	NC	
Pulmonary Hypertension - Endothelin Receptor Antagonists		
<i>ambrisentan PO</i>	P	
<i>bosentan TABS 125 MG</i>	NC	
OPSUMIT	NP	
TRACLEER TBSO	NP	
Pulmonary Hypertension - Phosphodiesterase		

Drug Name	Drug Tier	Requirements/Limits
Inhibitors		
<i>sildenafil citrate (pulmonary hypertension) SUSR</i>	NC	
<i>sildenafil citrate (pulmonary hypertension) SUSR</i>	NP	
<i>sildenafil citrate (pulmonary hypertension) TABS PO</i>	PA	PA
Pulmonary Hypertension - Prostacyclin Receptor Agonist		
UPTRAVI TITRATION TBPK	NP	SP
UPTRAVI SOLR	C	SP; PA
UPTRAVI TABS 200 MCG	NP	
UPTRAVI TABS	NP	SP
Pulmonary Hypertension - Sol Guanylate Cyclase Stimulator		
ADEMPAS PO	NP	
Sinus Node Inhibitors		
<i>ivabradine hcl TABS PO</i>	NC	
Transthyretin Stabilizers		
ATTRUBY TBPK PO 356 MG	NC	
VYNDAMAX	C	SP; PA
Vasoactive Soluble Guanylate Cyclase Stimulator (sGC)		
VERQUVO	NC	
CEPHALOSPORINS - Drugs to Treat Bacterial Infections		
Cephalosporin Combinations		
AVYCAZ	NC	
ZERBAXA	NC	
Cephalosporins - 1st Generation		

Drug Name	Drug Tier	Requirements/Limits	Drug Name	Drug Tier	Requirements/Limits
<i>cefadroxil CAPS PO</i>	NC		<i>cefuroxime sodium IJ 750 MG</i>	NC	
<i>cefadroxil SUSR PO</i>	NC		Cephalosporins - 3rd Generation		
<i>cefadroxil TABS PO</i>	NC		<i>cefdinir CAPS PO</i>	NC	QL(20 EA per fill retail)
CEFAZOLIN SODIUM-DEXTROSE SOLN 4 %-1 GM/50ML, 4 %-2 GM/100ML, 4 %-3 GM/150ML	NC		<i>cefdinir SUSR PO</i>	NC	1 package(s) per fill retail
CEFAZOLIN SODIUM-DEXTROSE SOLR	NC		<i>cefixime CAPS PO</i>	NC	
<i>cefazolin sodium SOLR IJ 1 GM, 2 GM, 3 GM, 10 GM, 500 MG</i>	NC		<i>cefixime SUSR PO</i>	NC	
CEFAZOLIN SODIUM SOLR IV 2 GM, 3 GM	NC		<i>cefpodoxime proxetil SUSR PO</i>	NC	
<i>cephalexin CAPS PO 250 MG, 500 MG</i>	C		<i>cefpodoxime proxetil TABS PO</i>	NC	
<i>cephalexin CAPS PO 750 MG</i>	NC		<i>ceftazidime IV 1 GM, 2 GM, 6 GM</i>	NC	
<i>cephalexin SUSR PO</i>	C		CEFTAZIDIME AND DEXTROSE	NC	
<i>cephalexin TABS PO</i>	NC		<i>ceftriaxone sodium IJ 1 GM, 250 MG, 500 MG</i>	C	QL(3 EA per fill retail); 1 max fill(s) per 31 day(s) retail
Cephalosporins - 2nd Generation			<i>ceftriaxone sodium IJ 2 GM</i>	NC	
CEFACLOR ER TB12 PO	NC		<i>ceftriaxone sodium in dextrose</i>	NC	
<i>cefaclor CAPS PO</i>	NC		CEFTRIAXONE SODIUM-DEXTROSE	NC	
<i>cefaclor SUSR PO 125 MG/5ML, 375 MG/5ML</i>	NP		SUPRAX CAPS PO (<i>Use cefixime</i>)	NC	
<i>cefotetan disodium IJ 1 GM, 2 GM</i>	NC		SUPRAX SUSR PO 200 MG/5ML (<i>Use cefixime</i>)	NC	
<i>cefoxitin sodium IV</i>	NC		Cephalosporins - 4th Generation		
CEFOXITIN SODIUM-DEXTROSE	NC		CEFEPIME HCL SOLN	NC	
<i>cefprozil SUSR PO 250 MG/5ML</i>	NC	1 package(s) per fill retail; AL(Up to 12 yrs old)	<i>cefepime hcl SOLR IJ 1 GM</i>	NC	
<i>cefprozil SUSR PO 125 MG/5ML</i>	NC	2 package(s) per fill retail; AL(Up to 12 yrs old)	CEFEPIME-DEXTROSE	NC
